Dear Mr. Honsinger:

The staff and patients of the Stratton VA Medical Center wish to express their sincere thanks to you for donating the box of books we received at the medical center.

Reading is a great way for the patients to spend idle time. The library tries to maintain a great selection of books and magazines that are current (within 6 months) and in excellent condition for the Veterans to occupy their time while they are patients here at the VA Medical Center.

Thank you again for remembering our Veterans in such a thoughtful way and for your continued support.

Sincerely,

Karen B Covey
