Dear Mr. Gelinias:

The staff and patients of the Stratton VA Medical Center wish to express their sincere thanks to you for sending twelve "The Vengeance Trap" books to us for our hospitalized veterans. We included a copy of your letter in each book.

Reading is a great way for the patients to spend idle time. Donations of new books are very much appreciated. Providing copies of these books to our medical center is an example of your dedication to the welfare of all the Veterans.

Thank you again for remembering our Veterans in such a thoughtful way.

Sincerely,

KAREN B. COVEY
Volunteer Manager
