Dear Mr. Honsinger:

On behalf of the Wilkes-Barre Department of Veterans Affairs Medical Center patients and staff, we would like to extend our appreciation to you for the books donated on behalf of "Books for Boots". These books will be utilized through the facilities of our library for the reading enjoyment of our patients. Your thoughtfulness reflects the concern that you feel for our veterans and for the sacrifices they made for all of us while in service to our country.

Without the support of organizations such as yours, we could not provide for the extras that make hospitalization more bearable. Your thoughtfulness also reflects the concern and compassion that our community feels for our veterans. Thank you for your kind support.

Sincerely,

  
Brendan Devine  
Chief, Voluntary Service
